MADE IN GRENOBLE ALPES: INNOVATIONS FOR INDUSTRY

GRUPE TERA

Experts in cleaning polluted ground

Innovative biosourced materials

APIX ANALYTICS

Air quality testing for industry

Innovative building materials

Gas testing for industry

A LEADER IN BIOMATERIALS

Education

Engineering school for print media, paper & biomaterials

Innovation

TekLiCell

Tech platform for smart paper, future printing & biomaterials

LGP2

Pulp & paper science lab that converts & valorizes biomass

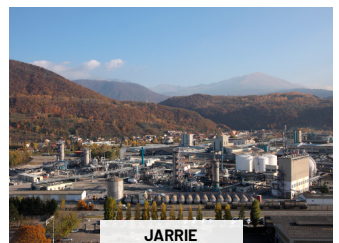

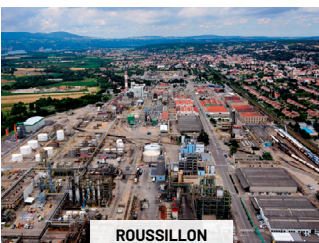

Technical center for the pulp, paper & board industry

LOCAL CHEMICAL PLATFORMS

Models of the circular economy, demonstrating a commitment to reducing environmental impacts

Osiris chemical platform

Grenoble chemical park

SCIENTIFIC AND TECHNICAL CENTER FOR BUILDING

CSTB *le futur en construction*
Ensures the quality and safety of buildings

CEA LITEN

Europe's largest R&D institute for sustainable energy

CEA LETI

Sensors for reducing environmental impacts

UNIVERSITÉ GRENOBLE ALPES

- Degrees in: biodiversity, ecology & evolution and bio processes engineering
- Labs: SIMAP, LEPMI & CERMAV

AXELERA

Competitive business cluster dedicated to chemicals and the environment

INP ENSE3

UGA's engineering school dedicated to energy, water and the environment

INSTITUT CARNOT POLYNAT

Institute for the development & improvement of biosourced materials

INRAE INRAE

National research institute for agriculture, food and the environment

CRISALID

Innovation and training center for sustainable planning and brownfield requalification

MAJOR CHEMICAL, CLEANTECH & MATERIALS COMPANIES

AIR LIQUIDE

- International leader in gas technologies
- Largest industrial site in France
- Main R&D activities: hydrogen & cryogenics

ARTELIA

- International, multi-disciplinary consultancy, engineering & project management group
- Grenoble is home to an innovation center for water & the environment

VENCOREX

- Leader in the polyurethane market
- World leader in aliphatic isocyanates (HDI, IPDI) & their derivatives

TERA ENVIRONMENT

- World leader in gas analysis
- Laboratory specialized in chemical pollutants & atmosphere characterization
- Born in Grenoble Alpes

VICAT

- International leader in cement production
- Innovation group based in Grenoble Alpes
- Born in Grenoble Alpes

ARKEMA

- World leader in specialty materials: adhesive solutions, advanced materials, coating solutions, and intermediates

AND ALSO:

Grenoble Alpes

THE RIGHT CHOICE FOR YOUR BUSINESS

The Invest in Grenoble Alpes team is dedicated to supporting French and foreign companies in successfully developing their business in Grenoble Alpes.

We provide tailored support at every step of your project.
